...AROUND THE WORLD

Our Market

Put a smile in the air!®

Since our company was founded in 2015, we have been sending this message to over 70 countries around the world with our „Little Joe®“ car air fresheners.

The worldwide sales network is supported by more than 100 distributors bringing our products into the markets and to the end customers with great effort and joy.

Thank you all!

Our Production

Technology

At Drive Int. AG we demand the highest manufacturing technologies from the raw material till our high-end finished products. For our car air fresheners, we strictly use the best quality fragrance oils from Italy and France.

These concentrated oils are mixed while our production process with non-toxic granulated polymers.

Our technology guarantees a long-lasting and discreet fragrance release of our products, always reinforcing the importance of all suppliers having safety & environmental certificates.

Sustainability

At Drive Int. AG we demand the highest standards throughout our supply chain.

According to our code of conduct we continuously require from our suppliers the latest certifications and their updates to comply with the market and environmental standards and needs.
